REMARKS

25X1X

It was learned in late February 1950 that Wittstock (N 54/U 11) wholesale food dealers who have previously supplied Soviet troops at the Schweinrich (N 54/U 22) troop training grounds, were advised to be prepared to resume delivery of foodstuffs by mid-March 1950. The reason for this directive is that the troop training grounds would be occupied again.
